Oh yeah, you should both call in. Michael you don't appear to have gotten this either. You might want Mary Anne as well.

Subject: Pebble presentation review with Michelle

Hi Rick and Michael,  
Patty sent a notice that there would be a review of the Administrator's Pebble presentation tomorrow 4 to 5 PST. Evidently an invitation went out, but omitted John Pavitt and me. I am wondering if that was deliberate (just managers and Patty are needed) or an oversight. I want to make sure I call in if my presence is useful.
